# *Armor Your Children*

*32 Week Devotional Series*

*(Modified without the Book of Mormon or Doctrine of Covenants)*

**Instructions:** Each day take a few moments to read the following scripture and discuss them with your children. This can easily be done at breakfast, in the car while running errands, or around the dinner table. Ask children what they think the scripture means and how it affects their life. Review previous devotionals to see how they might relate to one another.

*\*Note\** If needed, change the days of the week to days that fit your families schedule.
